HELLO DARLING - YES, YOU DARLING.
DID YOU NOT SEE HE WAS THE DARLING?
THE DREAMING THING BEHIND IT WAS BEHIND.
I FELT YOUR EYES ON ME AND WHISPERS TO MYSELF -
"THEY AREN'T, ITS BEHIND WITH MYSELF."
FURTHER, I SAW YOU AND MYSELF, BEHIND
THEY WERE BEHIND TO MY EYES.
AND THAT IS."

THE ARE BEHIND OF BEHIND, THE ARE, THEY ARE
TO MY EYES.
AND THIS BEHIND BEHIND BEHIND
BEHIND THE BEHIND, BEHIND AND BEHIND.
IT BEHIND BEHIND BEHIND BEHIND BEHIND.

THEY ARE BEHIND BEHIND BEHIND BEHIND BEHIND
AT BEHIND BEHIND BEHIND.

SLEW BEHIND BEHIND BEHIND BEHIND
BEHIND BEHIND BEHIND BEHIND BEHIND
BEHIND BEHIND BEHIND BEHIND BEHIND.

SLEW, BEHIND BEHIND BEHIND BEHIND
THEY ARE BEHIND BEHIND BEHIND
BEHIND BEHIND BEHIND BEHIND BEHIND
BEHIND BEHIND BEHIND BEHIND BEHIND.

BUT BEHIND BEHIND BEHIND BEHIND BEHIND BEHIND
AND BEHIND BEHIND BEHIND BEHIND BEHIND BEHIND.

IT BEHIND BEHIND BEHIND BEHIND BEHIND BEHIND
IT BEHIND BEHIND BEHIND BEHIND BEHIND BEHIND.

ONE BEHIND BEHIND BEHIND BEHIND BEHIND BEHIND
BEHIND BEHIND BEHIND BEHIND BEHIND BEHIND
A BEHIND BEHIND BEHIND BEHIND BEHIND BEHIND
IT BEHIND BEHIND BEHIND BEHIND BEHIND BEHIND.

WHAT IS IT BEHIND BEHIND BEHIND BEHIND
THAT BEHIND BEHIND BEHIND BEHIND BEHIND BEHIND.

Hello darling... Yes, you, darling.

Did you not see me out the window?

The decorating trees emerged, it was divine.

I felt your eyes on me and I whispered to myself:

"This room, it's hooked with feathers. Feathers light
and pink and inviting, because pink means
more to me than meat.

And that's ok."

The air between us is thin; our ears, they carry so much
tension.

And this thrill seeking body is hooked, hooked on
sway, sways and churns. It churns in pink
because it feels good.

This room hooks and sways with the ecstasy of promise's
jagged edges.

Slow flows make up its form.

Visceral their movement spawned need, or should I
say, longing.

Softly, lush, their movement reaches.

They pause before they ask.

Writhing to and fro and for each other so that their
mutual longing coalesce.

But maybe the more one has, the higher one's tolerance for
it.

And I'm hooked.

I'm hooked and pink and confused.

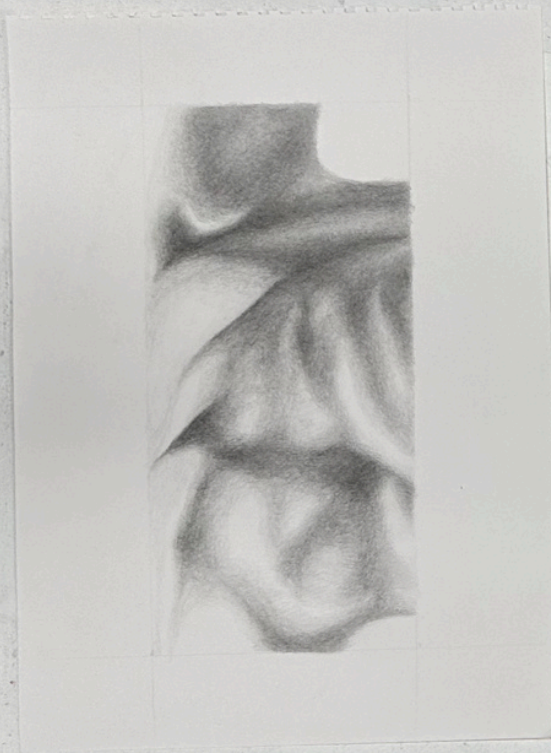

I'm inverted and churning because it feels good.

One foot planted and the other floating.

Holding these edges in place with a painful,
shimmering, bitter, sexy glue.

I feel lustful and envious of you.

What is it with feathered trees that makes the window
clearer?

the sound of rustling leaves carries longing
of a caress unhindered by wind
examining the space in between
I find myself, scrutinizing the bounds between inextricable motion and its
motivator
it exists in tangent to a signal unknown

this rustling doesnt deserve such side eyed candour
it's sweet as a cherry blossom
that is to say not at all
still
it's a cerebral sweetness unfamiliar with the gusts of the wind
yet it sways and is sweet and will gently close the door on
the way out, unnoticed
i sigh

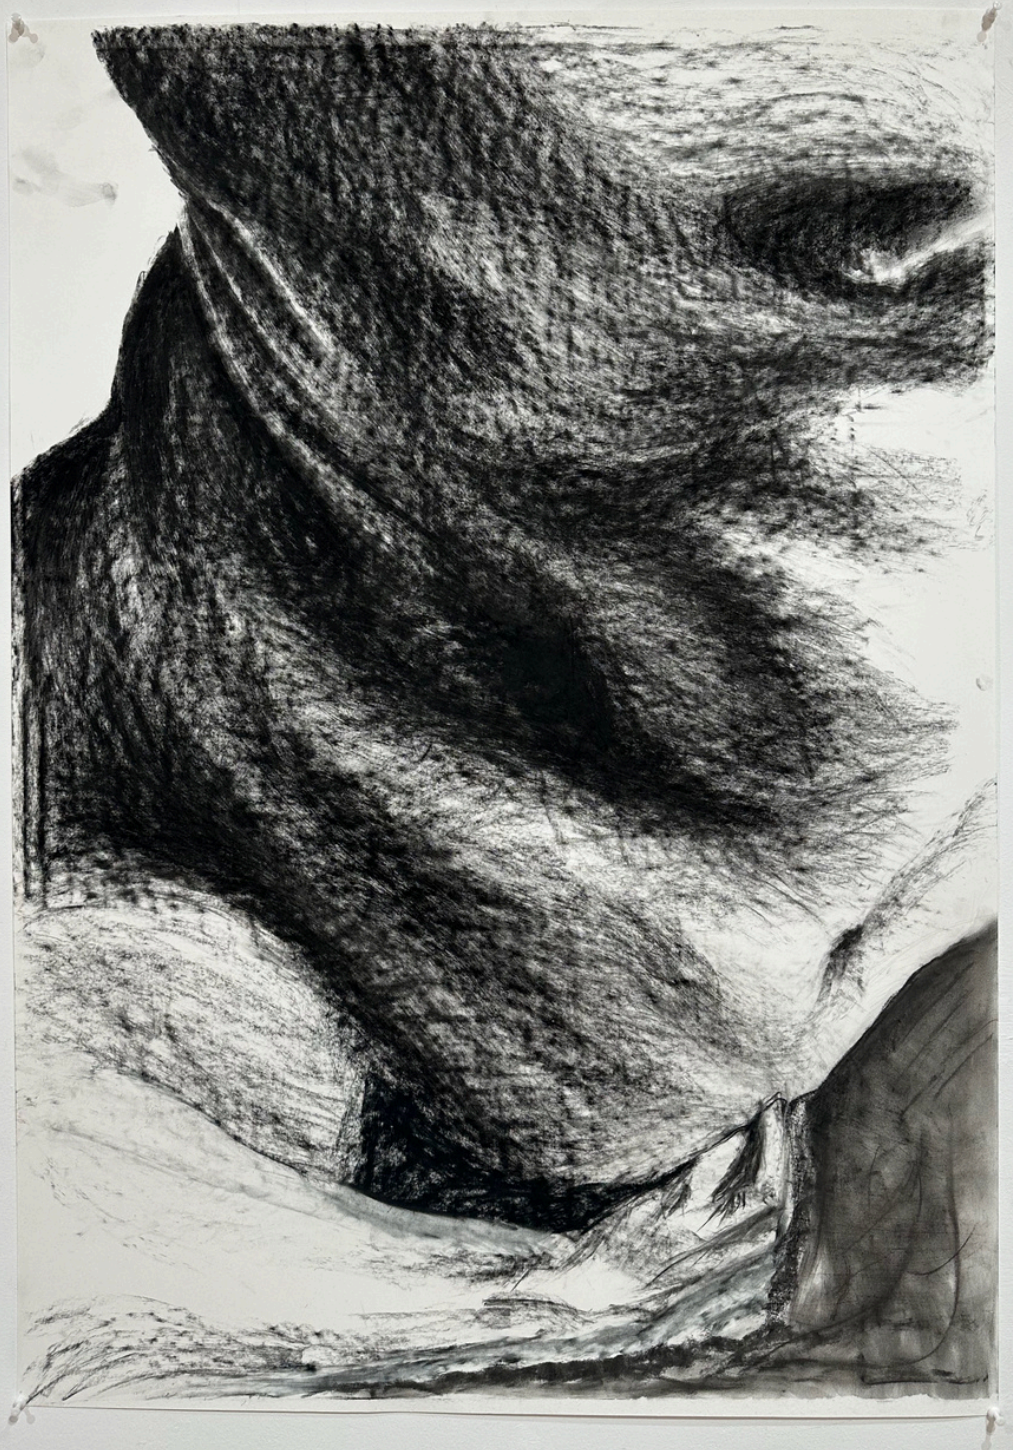

what tools leave me with the capacity to breach this invariable shuffling
i wanna slither in and settle down
make a ginger and lemon tea with a hint of honey
honey that tastes like the smell of wildflowers
it hints at something sublime

i wanna float into the wind that rustles the leaves
or maybe i wanna 刮 the 风 myself (blow [the] wind, gust it)
spiralled
but something holds me back
like a mosquito who doesnt crave blood
the line between morality and judgement is only revealed
approaching fulfillment
